There is the ‘Momijidani Park’ which is the beautiful rich nature and matched with your kimono around Momijino-Ga. You can enjoy to the fullest in 1 hour half.

The town wear of a noble woman 1000 years ago in Japan is very beautiful and elegant.

Please make a unforgettable memories!

- You can’t enter the Itsukushima shrine with the Tsuboshozoku. Please check it out with a map.
- If it’s raining, this plan will be allowed only in the inside of shop.
- There are not so many places to experience the ‘TSHBOSHOZOKU’ in Japan.

Besides, as it is free size, the design and color won’t be changed because of the size.

We strongly recommend you to try on ‘TSUBOSHOZOKU’ than Kimono as you can really enjoy the genuine sense of a noblewoman 1000 years ago in Japan. It doesn’t tight you up, it will be very easy to wear as well.

- **KIMONO : Sunny Day Only....JPY 7000 (without tax) 9AM – 1PM**
(If you started after 1pm, the walking time will be only 3 hours.)

You choose a Kimono fit your body and enjoy walking in the Miyajima Island **up to 4 hours** after we help you get dressed.

Since these Kimono is the special one for foreigner, the design and size is a bit different with the Kimono for Japanese. Thank you for your understanding.

- When it's raining, please be informed that we're very sorry that we don't do this plan.

You will enjoy painting and drawing with a paint color for the folk toy no colored.

It will take about 20min to 1 hour.

After it's dried, you can take it to your home soon.

What is 'Manekineko'?

Manekineko(Beckoning cat) is one of the good-luck articles peculiar to Japan.

It has been told about Maneki Neko that the cat raising right hand is inviting money and the cat raising left hand is inviting customers, but has been reflected by the time changing, it is used beckoning luck to benefit on (love),(long life) and (great hit on treasure lottery) etc

What is 'Inuhariko'?

In ancient time, people in Japan believe in that dog can give birth many babies easily so that dog will be the symbol for easy delivery, being blessed with children, and good-luck charm.

At that time, the delivery was not easy at all, besides there were many stillborn babies as well. People prayed so hard by making the Inuhariko to wish their safe delivery and being blessed with many children.

Until now, Inuhariko folk toy is loved by people as a prayer for those wishes.
